DEPARTMENT OF TRANSPORTATION JOB OPPORTUNITY Transportation Supervising Engineer (Construction Engineering)

PLEASE FOLLOW THE SPECIFIC APPLICATION FILING INSTRUCTIONS AT THE BOTTOM OF THIS PAGE!

Open To: The Public
Location: District 1A New Haven
Job Posting No: 31620
Hours: 40 hours per week
Salary: Pay Grade FS30a (\$89,945 - \$129,187 annually)
Closing Date: **September 15, 2016**

Knowledge, Skills and Abilities: Ability to independently lead a group of engineers in a collaborative effort; ability to organize lengthy research projects and maintain the focus of a large group; considerable organizational, communication, and interpersonal skills; ability to lead meetings and organize meeting agendas; considerable knowledge in construction methods and contractor bid development; considerable knowledge in design development and estimating practices; considerable knowledge of contracting methods, standards and specifications, and their legal relationships and requirements; considerable knowledge of contract development and structure; considerable knowledge of facilities, rails, bridge and highway contracts; considerable knowledge of Department organization. PE license preferred although applicants with LS license will also be considered (see Special Requirements section below).

General Experience:

CONSTRUCTION ENGINEERING: Eight (8) years of experience in transportation construction engineering.

Special Experience:

One (1) year of the General Experience must have been as an engineer with lead responsibility for complex transportation construction engineering projects in construction, surveys, or materials testing. For state employees this is interpreted at the level of Transportation Engineer 3 (CONSTRUCTION ENGINEERING).

Substitution Allowed: none

Special Requirements:

1. Incumbents must possess Land Surveyor (LS) License or Professional Engineer (PE) licensure from the Department of Consumer Protection State Board of Examiners for Professional Engineers and Land Surveyors consistent with C.G.S. §20-302.
2. Incumbents may be required to possess appropriate certification from the New England Transportation Technician Program (NTTCP).
3. Incumbents in this class may be required to possess and retain a valid Motor Vehicle Operator's license.
4. Incumbents in this class may be required to travel.

Eligibility Requirement: Candidates must meet the requirements listed above.

The filling of this position will be in accordance with reemployment, SEBAC, transfer, promotion, and merit employment rules. Interviews may be limited to candidates whose qualifications most closely meet the requirements of this position. The results of these interviews may be used to fill future Transportation Supervising Engineer (Construction Engineering) vacancies that occur in the Bureau of Engineering and Construction statewide for the next twelve (12) months from the date of the interview.

Application Instructions: Interested and qualified candidates who meet the above requirements must submit a cover letter which details your interest and suitability for the position, resume, and application (State of Connecticut Application for Examination or Employment Form CT-HR-12). State employees must also submit copies of their last two (2) service ratings. Application materials must be submitted no later than Thursday, September 15, 2016 to:

Department of Transportation
1107 Cromwell Avenue
Rocky Hill, CT 06067
Diane Tyc, Principal Human Resources Specialist
Fax: (860) 258-4546
Diane.Tyc@ct.gov

Application forms are available at the Department of Administrative Services website. Applications must be received no later than the closing date indicated above. Incomplete applications where the required documentation, as indicated above, is not submitted will not be considered for this position.

Due to the large volume of applications received, we are unable to provide confirmation of receipt or status updates during the recruitment process.

AN AFFIRMATIVE ACTION/EQUAL OPPORTUNITY EMPLOYER

The State of Connecticut is an equal opportunity/affirmative action employer and strongly encourages the applications of women, minorities, and persons with disabilities.
